FEATURES

YOUR DIGITAL PORTAL TO EVERYTHING SECO MY PAGES

As technological advances have made our world more complex, simplification can become a powerful competitive advantage. Reducing the amount of time dedicated to routine tasks liberates you to focus on areas more vital to your success.

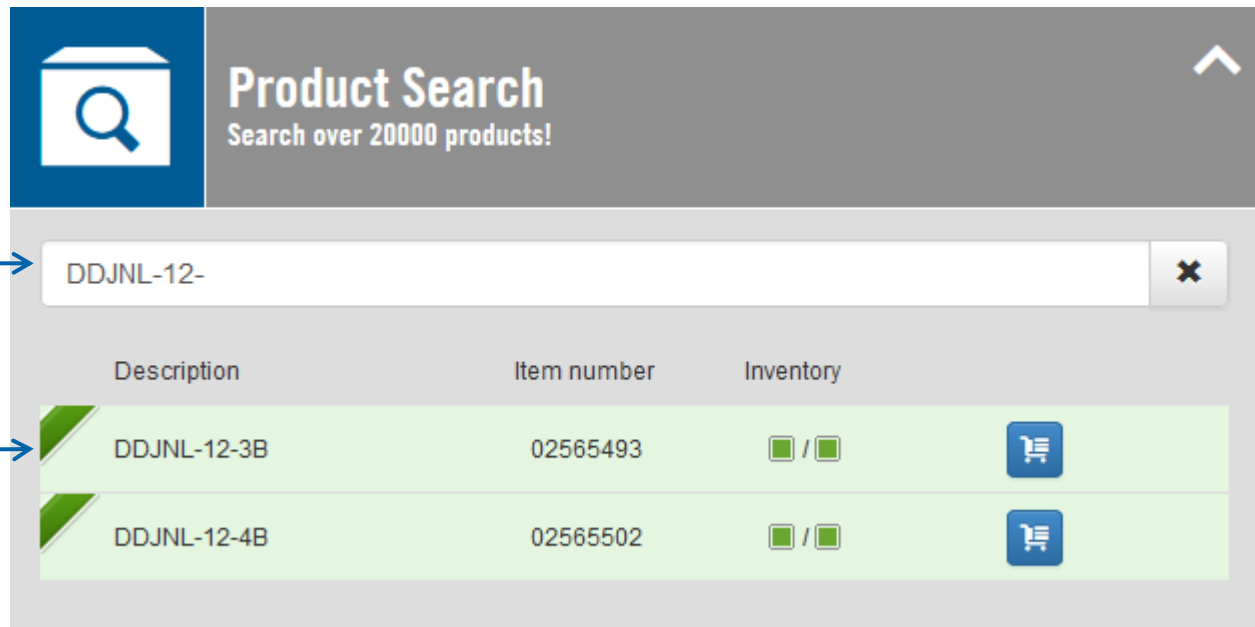

Seco developed My Pages to bring together every aspect of how you work with us into a simple, user-friendly interface.

Offering seamless access via smartphone, tablet or laptop, this simple application will be a powerful tool in streamlining your partnership with us. From reviewing product information, pricing and availability to looking up your current and past orders to instantly accessing test reports, My Pages puts comprehensive data at your fingertips.

Your job is about to get easier.

	Articles Seco Tools technical blogs
	Product Search Search over 20000 products!
	Threading Wizard This is the threading wizard

Search for a product in the search field, products will automatically appear. Click on the row of the product.

The screenshot displays a 'Product Search' interface. At the top left, there is a magnifying glass icon. The title 'Product Search' is followed by the text 'Search over 20000 products!'. Below this is a search input field containing 'DDJNL-12-' and a clear button (X). The results are shown in a table with the following columns: Description, Item number, and Inventory. Two product rows are visible, each with a shopping cart icon.

Description	Item number	Inventory	
DDJNL-12-3B	02565493	■ / ■	
DDJNL-12-4B	02565502	■ / ■	

By clicking the row you will get a bit more information about the product. By clicking the information button...

The screenshot shows a product search interface. At the top, there is a search bar with a magnifying glass icon and the text 'Product Search Search over 20000 products!'. Below this, the product name 'Holder DDJNL-12-3B' is displayed. To the right of the product name, there is a 'SELECTION' badge that reads 'Recommended by Seco as 1st choice and with our highest stock availability'. Below the product name, there is a product image of a holder. To the right of the image, the following information is displayed: 'Item number 02565493', 'Minimum sales quantity 1', 'GDG code B40 - TURNING', 'Home DC' with a green checkmark, and 'Other DC' with a green checkmark. At the bottom left, there is a 'Back' button. At the bottom right, there are two buttons: an information button (i) and a list button (three horizontal lines). A blue circle highlights the information button, and a blue arrow points from the text box to it.

You will find even more information and also 2D drawings and 3D models.
